

## THE EPISCOPAL DIOCESE OF MARYLAND

## ANNUAL MINISTRIES APPEAL

### EPISCOPAL SERVICE CORPS-MARYLAND (ESC-MD)

#### Who We Are

A ministry of the Diocese of Maryland, Episcopal Service Corps-Maryland (ESC-MD) is an affiliate of the Episcopal Service Corps, a nationwide network of young adult volunteer-year programs. Intentional community living, working for social justice, serving the vulnerable and reflecting on the experiences are the pillars of our program. Now in Year 5, ESC-MD boasts 5 young adult Gileads (ages 22-26) who come from all faiths and places and live in community

at St. Michael House in Baltimore, while learning more about themselves and their call to serve God.

Current worksite partners: Baltimore Orchard Project, Central Maryland Ecumenical Council (environmental initiatives), Great Kids Farm, and Project PLASE. Alumni are in graduate studies at seminary, law, social work and teaching, they are working in churches as staff and as community organizers, they are staffing small non-profits addressing issues of housing, poverty, neglect and abuse, they teach in Indonesia, Russia and the USA, and they are still searching. Some are preparing for ordination; all will serve the Church in new and various ways.

We provide a small stipend, all housing costs, a shared food allowance, transportation stipend, theological reflection time and support. Interns provide heart, energy and a willingness to engage in the adventure. While our

worksite partners provide a portion of our budget, their part will never cover all expenses. Both the income and prayers of those participating in the Annual Ministries Appeal help us more fully realize this mission and ministry.
